Advance Bulb List for Fall 1959

To all our gardening friends we offer this, our 1959 selection of the WORLD'S FINEST SPRING-FLOWERING BULBS for fall planting. Over eleven hundred varieties, some new, some old, have just completed their blooming season here in our trial gardens. The best of them we have chosen for this list. We have capitalized the names of some we wish especially to call to your attention.

As usual our season was featured by many wonderful flowers from scores of new varieties our growers sent us for their first American trials. Many are offered in this list. We highly recommend them for your garden. Among the new tulips we recall Breeder, Reine Victoria; Cottage, Alexander Duff, Joan Hill and Sophie Bullock; Darwin Evening Glow; Multi-flora Bo-peep, Golden Fleece and Royal Ruby. Trumpet, Golden Sensation; Large-cups, Agathon, Hyperion and Iceland; Small-cup, Bravura, were among the fine new daffodils.

Remember this is an ADVANCE LIST. We can stock only a small fraction of this offering for fall buyers. All new varieties and many older ones are never too plentiful. So to avoid disappointment send in your order as soon as possible after receiving this list.
